Schedule 6

Debtors' Property Not in the Debtors' Possession

Local Rule 1007-2(a)(8) requires the Debtors to list property that is in the possession or custody of any custodian, public officer, mortgagee, pledgee, assignee of rents, secured creditor, or agent for any such entity.

In the ordinary course of business, on any given day, property of the Debtors (including security deposits or other collateral with counterparties to certain commercial relationships) is likely to be in the possession of various third parties, including, vendors, shippers, common carriers, materialmen, distributors, warehousemen, service providers or custodians, where the Debtors' ownership interest is not affected. Because of the constant movement of this property, providing a comprehensive list of the persons or entities in possession of the property and their addresses and telephone numbers would be impractical.

Schedule 7

Pursuant to Local Rule 1007-2(a)(9), the following lists the property or premises leased or held under other arrangement from which the Debtors operate their businesses.
